Air fryer - Capacity 3.5 liters - Black/Stainless steel

Bake delicious fries and snacks with a crispy crust without extra oil or fat? That's possible with the Inventum air fryer GF350HLD! Because you fry with hot air, the device is also called a hot air fryer. With this air fryer you can not only fry, but also grill, roast and bake. In this hot air fryer with 3.5 liters capacity you can bake approximately 1000 grams of fries at once. The... read more on the website
