Air fryer - Capacity 8 liters - Black/Stainless Steel

Bake the most delicious fries and snacks without extra oil or fat using the Inventum XL air fryer GF801HLDB. Thanks to its slim design, this air fryer is ideal for kitchens with limited counter space. Thanks to the extra-long pan of 8 liters, you bake everything even crispier. In this air fryer you can bake a maximum of 1500 grams of fries at a time, but for the crispiest fries you... read more on the website
